## DROP-OFF / PICK-UP ZONE 2014/15

Dear Parents & Carers,

As you are aware our Drop-off / Pick-up Zone is an important and safe method of student departure and arrival. To enable us to maintain clear communication between drivers and duty teachers we use "family name cards" which are given to families.

It is only necessary to complete one response per family but we can provide additional cards if required for more than one vehicle.

If you need a new name card or need to update an old card, please complete the slip below and return to the office for printing. Upon completion, we will send the card to your eldest child.

For parents who regularly pickup a child from another family, please complete the section below and we will include one card with the extra child's name.

Thank you for your commitment to this issue.
